President's Message:

Fellow Prime Time Plus Members:

I want to let you know that our bank has been very busy this fall. We continue to make great strides towards our merger with Monona Bank on February 13, 2023. In my last letter, I mentioned that once our two banks come together, our new bank name will be Lake Ridge Bank. And today, as you'll see on this page, I am excited to share our new Lake Ridge Bank logo with you.

We put a great deal of time and thought into both our new name and logo. We feel our new logo stands for how our two banks are coming

together to create something new and exciting. It was designed to highlight both the "lake" (the blue area at the bottom of the logo, representing Monona Bank's lakes) and the "ridge" (top green part of the logo, representing the hills around SBCP's locations). As a lake enthusiast, I also believe our new logo shows how proud we are of our Wisconsin (and Dane County) roots. Personally, I like to think of the line in the middle of the logo where the blue and the green come together to be almost a reflection where two similar images come together, just like our two banks.

We are also very excited about all the changes we will be making to ensure our new Lake Ridge Bank will be the best bank in South Central Wisconsin. One of the most notable changes you will see is that

Lake Ridge Bank™

our team looked at all the products and services both banks currently offer and chose the best mix of each for our new bank. We believe our new product line will offer you the best consumer and business products in South Central Wisconsin.

Look for more information about our merger in the coming months. Thank you for your continued support of State Bank of Cross Plains and our Prime Time Plus Club. We cannot wait to show off our new Lake Ridge Bank to you.

The 2022 pre-holiday mystery is solved!

The first stop of our 2022 mystery tour was at the John Deere Historic Site in Dixon, IL where we stood in the spot where John Deere created the first commercially successful steel

plow, reliving the experience of his original blacksmith shop. We reminisced the clang of the hammer and felt the heat from the forge as we watched a blacksmith melt iron into shape. It is hard to imagine that John Deere ventured to IL from Rutledge, Vermont to find work before moving his large family to the area.

Our next stop was to the John Deere Pavilion and Store for a self-guided tour and time to shop in Moline, IL. Here we were invited to come discover how John Deere forges the cutting edge every day.

The John Deere Pavilion has been recreated, with brand-new experiences featuring new and vintage equipment, interactive and immersive exhibits, and a few surprises.

The weather couldn't have been more perfect as we boarded our dinner cruise which

offered a special night out on the mighty Mississippi River, while traveling in style on the "Celebration Belle." After dinner we enjoyed a wide variety of music from yesterday and today featuring Country and Rock n Roll. Many also, went topside to enjoy the picture-perfect evening under the lights and stars of Moline, IL.

In the morning of our second day, we were welcomed to the Butterworth Center & Deere-Wiman House, located in the Overlook District of Moline, IL. Both historic homes once belonged to people with ties to the John Deere family. Our visit offered an authentic glimpse into Victorian family life and architectural innovations of the past century, including an elevator believed to date from the 1890's, a Kimball pipe organ in the library, a multi-nozzle spa shower reminiscent of the healing hot spring resort waters popular during the Victorian era. And hand stenciled and painted wallpaper in the dining room.

At Isabel Bloom's in Davenport IA, we began our visit in the showroom with a video on Isabel's life. Isabel Bloom was a gracious, graceful, imaginative, and intense woman who spent her life creating sculptures that had a heartfelt, honest quality that she defined as "soul." She composed her creations in her head from things she saw or remembered, enjoying the imaginative process that was an inherent significant part of her life. Our group witnessed how her famous sculptures, called "Hugs" were made and painted. I have included a poem called "Hugs", that was shared with our group, on page 6 of this newsletter.

Since 1908, Lagomarcino's, in Davenport, IA has treated the Quad Cities to their famous homemade chocolates & ice cream. They have been making life sweet for over 100 years. The Lagomarcino family told the story of how they began making chocolate in Italy and eventually moved to Iowa. Each year they create large chocolates for special occasions, including giant 24-inch chocolate

bunnies for Easter, harvest and Christmas balls, and footballs.

Our final stop was for lunch at Poopy's Pub which is a biker bar in Savanna, IL

Although, it looks like your typical bar and restaurant from the front, once you walk through the doors, you'll quickly see that it's far more. The ceilings are tall, with motorcycle memorabilia on the walls, motorcycles in the rafters, and a chopper mounted to one of the tabletops. There are plenty of seats inside to choose from, but for a unique experience, people could take a seat up at the bar on one of the padded toilet seat chairs, complete with a lid as the backrest. They are all part of the brand that "Poopy," aka Kevin Promenschenkel, created in 1996. Kevin shares that the question he is asked the most is, "How did you get that nickname?" And funny enough, he's had it since he was a kid. The story has it that a bird defecated on him, and all his friends laughed and called him "Poopy." It turns out that the joke is on them because this nickname has created an iconic brand known worldwide that has been in business for 26 years.

At each attraction our group received something special to remember our stops by in their stockings and we all returned home with many good memories and treasures.

“Hugs” *Author unknown*

It's wonderous what a hug can do. A hug can cheer you when you're blue.
A hug can say, "I love you so" or "Gee! I hate to see you go."

A hug is, "Welcome back again!" and, "Great to see you!" or "Where've you been?"
A hug can soother a small child's pain and bring a rainbow after rain.

The hug! There's just no doubt about it. We scarecely could survive without it.
A hug delights and warms and charms. It must be why God gave us arms.

Hugs are great for fathers and mothers, sweet for sisters, swell for brothers,
and chances are some favorite aunts love them more than potted plants.

Kittens crave them. Puppies love them. Heads of state are not above them.
A hug can break the language barrier, and make the dullest day see merrier.

No need to fret about the store of `em. The more you give, the more there
are of `em. So stretch those arms without delay and give someone a hug today.

Director's Message *Lois Boehnen – Club Director*

Hey Prime Time Members!

Whew what an eventful year we've had! I have been hearing repeatedly that you are so happy that life is getting back to "normal", and I echo that sentiment. We've enjoyed pressed flower classes, Ice Age Trail hikes, our Nashville and Clarksville tour, two days spent on the La Crosse Queen, a social security and Medicare presentation

and a mystery tour since our last newsletter. Now on to 2023!

I continue to hear a lot of questions about us merging with Monona Bank and I want you to know that I am very excited for you to see what comes next. I believe both banks care very deeply about their customers and there is plenty of love to go around. Therefore, I can't wait for you to meet our new teammates. I know you are going to love them and adding locations will provide banking convenience for you when you are out and about in our surrounding communities.

As Jim Tubbs shared in our May newsletter, "Monona Bank does not have a

full-blown Prime Time Plus Club, so this will allow us greater opportunities to not only expand our membership, but also our offerings and resources. We've always felt so fortunate to have such an active and vibrant club."

I want you to know that Lake Ridge Bank is committed to our members. Our Prime Time Club has always been our bank's way of saying thank you for your business and that is not going to change. During our approaching holiday season, we want to remind you that we appreciate all of you and your business. We hope you have a happy, healthy holiday season.
