NEWSLETTER DELIVERY UPDATE

After a great deal of consideration, beginning in 2027, your Prime Time Plus Club will be updating the way we share our Prime Time Plus Club newsletter. We have decided to make this change to share updates more quickly and efficiently!

Beginning with the **Winter 2027** edition, the PTPC newsletter will be delivered digitally to all members via email. It will be delivered to the email address we currently have on file for each member. This change will allow everyone to receive the newsletter on the same day and at the same time eliminating any mailing delays. In addition to the email, our newsletter will also be available on our Lake Ridge Bank website and on our Prime Time Plus Club Facebook page at the same time. From the feedback we have received from our members, we know you will enjoy having more than one way to access your PTPC newsletter in an even timelier manner!

We understand that you may still prefer a paper copy of our newsletter and we have a plan for that too! Printed newsletters will be available in our offices on the same day that the email version is sent out. You're welcome to stop by any of our 20 office locations to pick one up. While you're there picking up a paper copy of our newsletter, we hope you will take a minute to enjoy a cup of coffee or a root beer and some friendly conversation with our lobby team. In fact, paper copies are already available in each of our offices. The next time you stop by, ask them where they are located!

We assure you that our decision to switch to email delivery of the newsletter was not made lightly. We believe it's a positive step that gives us better control over the delivery time of our newsletter and helps us avoid mailing delays. Throughout 2026, we'll continue to remind members about this upcoming change and answer any questions along the way.

To help with this distribution transition, please be sure we have your correct email address. If you need to update your email, you can write your current email address on your next event registration form, give us a call, or stop by any of our offices. This will help us keep our records up to date.

Thank you for your flexibility and continued participation as we work to improve how we stay connected.
